

LLM FINANCIAL AND COMMERCIAL LAW

(with a pathway in Financial Investigation)

Part-time 1.5 Years

On campus in Mauritius

Start Date: January/September

Our **LLM Financial and Commercial Law** course provides you with the analytical and reflective skills required in the competitive domain of financial and commercial law. On completion of this course, you will be equipped with the transferable skills that are essential in the modern workplace and are crucial to effective leadership, such as negotiation, problem solving and dispute resolution. You will graduate with a recognised postgraduate qualification in Financial and Commercial Law.

This course is available to those with **legal and non-legal backgrounds**, with postgraduate students joining with law or business undergraduate experience or professionals joining with legal or commercial industry experience. The range of backgrounds present in our cohort enrich the learning you receive as a member of a diverse learning community.

Course Highlights

- This course is available to law and non-law graduates
- A range of specialist modules will allow you to customise your qualification and the skills and knowledge you will have gained upon successful completion of the programme.
- The opportunity to complete a dissertation, supervised by experienced academics, allows you to produce a detailed piece of work in a legal area of your choosing. This dissertation allows you to demonstrate your newly developed expertise, and produce a robust piece of work that you can use to highlight your qualification and skill.
- The course is supported by the University's web-based Blackboard facility - the University's online learning environment

Course Outline

Compulsory:

Dissertation | Advanced Legal Systems | Banking and Financial Services Regulation | International Corporate Governance | Law of International Financial Transactions

And choose two from a range of option modules*:

Global Perspectives in Financial Investigation | Investigating Money Laundering | Discovery & Recovery of Assets | International Commercial Litigation

*Subject to numbers

Career Prospects

Our Financial and Commercial Law programme can bolster your employability in both business and legal roles through demonstrating your knowledge and expertise.

Entry Requirements

A bachelor degree with Honours at lower second class or above or a professional qualification deemed to be degree equivalent.
